Dermot Cavanagh is the artist & tutor behind the BBC TV Series 'Awash with Colour'. During 74 half hour episodes he taught a host of celebrities to paint. Now you can paint with him and learn many new hints and tips in the creative atmosphere of his own studio, overlooking the rolling hills of his local rural landscape. Dermot can bring out the artist in anyone, even beginners. People often say that they've learned more from his courses in a few days than from attending other classes for years. If you have the interest and a desire to improve your painting he has the ability and experience to teach you. On a 3 day course Dermot will build your confidence, remove the mystery around painting and have you creating work to be proud of in no time. He promises to be generous with his time and tips. - Places are limited to allow for lots of individual attention.
